Fundraising & Volunteer Refund

Thank you to all who continue to volunteer and fundraise! Both are equally important to make our club function and to help keep ice costs down! To avoid year end confusion, we are just wanting to clarify and explain how the family fundraising + volunteer fee operates.

In order to earn a full refund, each family must:

- a. Fundraise a minimum of \$100.00 through the many fundraising initiatives
(Flip Give not included)**
- b. Volunteer throughout the skating year**

For example:

If you volunteer AND fundraise a minimum of 20 boxes in either chicken/little ceasers or a combination--- that is the minimum requirement for receiving a full refund. It's as simple as that!

Remember the more money our club receives through fundraising campaigns, then we are able to offer a longer skating season while keeping ice costs down. So we encourage you to fundraise above and beyond the minimum! Thank you!

If you fundraise your minimum of \$100.00 but cannot volunteer, your maximum refund will be \$50.00.
(If you only volunteer, and do not fundraise, you will not be entitled to refund)

Haven't had a chance to volunteer yet?? No worries! We have lots of upcoming opportunities! Stay tuned for upcoming events and/or contact Devon Altena to find out how you can help!

Any other questions, please reach out to either Jen Timmerman or Tryphena de Boer.
